CompassTix - Event Ticketing

COMPASSTIX
Powered by Compass

The ticketing solution made for schools, powered by Compass.

Compasstix is an event ticketing platform designed to make event ticketing easy. Customise your event, sell tickets and communicate with event goers all in one place.

CompassTix allows you to open up event attendance and ticket provision to the wider school community.

$ $0.45 per ticket plus 2.5% per transaction

If you don't charge your attendees - We don't charge you!

CompassTix is an affordable platform with competitively low fees. It's free to create an account and host a free event.
The only charges are merchant fees for paid events.

These fees can be pushed to the ticket buyer or absorbed by the event organiser.
